LIMITED RATINGS CAPABILITY LIST

LIMITATIONS

<u>CODE</u>	<u>ARTICLE</u>	<u>DEFINITION</u>
A	Airframe	Maintenance, preventative maintenance, and alteration per the manufacturer's current maintenance manuals, maintenance program instructions, instructions for continued airworthiness, or data acceptable to the Administrator.
AE	Accessory -Emergency power supply	Maintenance, not including overhaul, per the manufacturer's current maintenance manuals.
AL	Accessory - Lead acid battery	Maintenance per the manufacturer's current maintenance manuals.
AN	Accessory – Ni-Cad battery	Maintenance per the manufacturer's current maintenance manuals.
AA	Accessory - APU	Maintenance and preventative maintenance not including overhaul or disassembly of the primary rotating components per the manufacturer's current maintenance manuals, maintenance program instructions, instructions for continued airworthiness, or data acceptable to the Administrator.
P	Engine - Piston	Maintenance and preventative maintenance not including overhaul or disassembly of the crankcase per the manufacturer's current maintenance manuals, maintenance program instructions, instructions for continued airworthiness, or data acceptable to the Administrator.
PR	Propeller	Maintenance and preventative maintenance not involving overhaul per the manufacturer's current maintenance manuals, maintenance program instructions, instructions for continued airworthiness, or data acceptable to the Administrator. Includes dynamic balancing and de-ice boot replacement.
T	Engine - Turbine	Maintenance and preventative maintenance not including overhaul or disassembly of the primary rotating components per the manufacturer's current maintenance manuals, maintenance program instructions, instructions for continued airworthiness, or data acceptable to the Administrator.
